

1099 INFORMATION SHEET

Your Name	 	
Your Address	 	
Your EIN# or SS#	 	

Information returns (Form 1099) are required to be prepared on certain payments made in the course of your trade or business. These payments which require 1099 reporting include:

- Interest you pay to individuals on business loans (other than financial institutions)
- Cash rent paid
- Payments of \$600 or more during the calendar year paid to non-incorporated persons or entities for services rendered
- All payments to attorneys totaling over \$600

1099s must be distributed to recipients on or before January 31. Failure to file 1099s may result in penalties by the IRS.
